

BLOOMINGTON CHRISTIAN SCHOOLS

Building a Bridge of Love through Christian Education

November 1, 2008

Dear Friends and Alumni of Bloomington Christian School:

Since its humble beginnings in 1976, Bloomington Christian School has helped impact the lives of many children and families in our community. We do this through providing a quality affordable Christian Education.

Our school is funded through our tuition and the donations of individuals and local businesses, not through public funds. Each year we ask our friends and alumni families to help us to meet our financial obligations and help impact families in our community. This is the purpose of this letter.

Would you please consider making a contribution? Your tax deductible gift will help us to accomplish our goals and continue to provide a quality education to our community. We do realize that you receive many requests to consider, many of them worthy of your consideration, but we ask that you prayerfully consider making a gift to this annual financial drive at BCS. Your gift will be applied as needed to our general fund, assistance endowment fund and the technology department or other areas you may specify.

Please clip and complete the bottom portion of this letter and return it with your check made payable to BCS. Please mark "Annual Financial Drive" in the memo section. You can make use a credit card also by filling in the information required. Return the check and completed form in the envelope provided.

Thank you in advance for your generosity and your partnership with our school in accomplishing our mission here at Bloomington Christian School.

In Christ,

Yvonna Williams
Superintendent

----- Detach and remit with check or credit card information -----

I would like to participate in the BCS Annual Financial Drive, please accept this gift of support.
